# TECHFIESTA'18

A science and technology festival

## About

This is an event where questions are asked from General Knowledge, Current Affairs and some from engineering field.

## Challenge

The much you and your team score, the much the chances to win. Answer more than others. Hurry up! There is no time left.

## Rules

1. Questions would be from General Knowledge, Current Affairs, Reasoning and from General Engineering science.
2. Entry can only be in team with two members only.
3. In case of tie, the team which takes lesser time comprising of both rounds, will be the winner.

## **Round 1**

1. Each time will be asked four questions each (objective with options)
2. Ten marks for correct answer and five negative marks for wrong answer
3. If a team cannot answer the question, they can pass the question to next team.
4. Answering time is only thirty seconds only.
5. Team discussion is allowed, but not with other's.

## **Round 2: Rapid fire round**

1. Each team will be asked ten questions one after one in one minute (sixty minutes)
2. Ten marks for correct answer and negative five marks for wrong answer.
3. Answering time is only three seconds.
4. Team discussion is allowed.
5. If a team cannot answer, they can pass for next question. They cannot pass to another team.
