

# Electro-hunt

**Ramgarh Engineering College, Ramgarh**  
Run and Managed by Techno India under PPP

**Government of Jharkhand**

## TECHFIESTA'18

A science and technology festival

### About

This event is for electronic lovers and it requires some electronic mind.

### Challenge

Equipment reorganization, circuit making and methods of using different rating's devices.

### Rules

1. Each group must have three members, not least than it.
2. There are three rounds:

#### Round 01

General questions it includes some basic engineering i.e., Logic gates, diode, transistor, k-map, aptitude and maths questions.

## Round 02

Circuit designing on breadboard

## Round 03

In this round, different type of electronic components placed over whole room. Participants have to find answer of given question, to get clue of where the components are hidden to find them.

3. The Electro-hunt consist of 5-6 clues.

If you found other team`s clue by any chance never tamper. Breaking this rule, will be disqualified.
